

This Memo will discuss the basis and principle for future

## **Memo of Establishment of Friendship between Heilongjiang Bozhu Aid Foundation for Persons with Mental Disorders in Poverty and Conferenza Permanente per la Salute Mentale nel Mondo(CoPerSaMM)**

Through negotiation, Heilongjiang Bozhu Aid Foundation for Persons with Mental Disorders in Poverty and Conferenza Permanente per la Salute Mentale nel Mondo(CoPerSaMM) decide to establish friendly cooperation relationship in areas such as prevention and treatment of mental disorders, mental health service project, enhancing scientific development in mental health field, protection of legal rights and interests of persons with mental disorders, fostering a more inclusive society and organization exchanges between patients and families. We will learn from each other sincerely, share ideas in extensive areas and be complementary to each other. Besides it's our goal to improve contacts between Chinese and Italian mental health service organizations and relevant NGOs and make common efforts for mental health development.

This Memo will be our basis and principle for future cooperation. The specific cooperation issues and other agreement should follow this principle.

Foundation for Persons with Mental Disorders in Poverty

The Memo has two copies, with each copy having Chinese, Italian and English version. Each side keeps one copy.

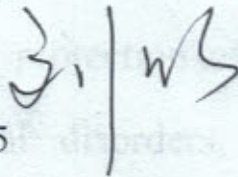

It will take effect once the two sides sign. Any side declares ending of cooperation this Memo will be seen as termination.
